WHAT IS COUNSELLING:

Counselling is a process of talking about and working through your personal problems with a **counsellor**. The **counsellor** helps you to address your problems in a positive way by helping you to clarify the issues, explore options, develop strategies, and increase self-awareness. Counselling psychologically empowers individuals to seize back control of their lives and is often the first step individuals take on their path to discovering a more positive life. The Counselling relationship in order to be effective requires that you be willing to be engaged in your own change process.

Due to the volume of people waiting for counselling services we ask that you do your best to adhere to our policies:

NANAIMO FAMILY LIFE POLICY REGARDING COUNSELLING SESSIONS

INITIAL

I understand that once the coordinator has matched me with a counsellor, and the counsellor has contacted me I need to respond to counsellor within 3 days to set up my first appointment or I risk my file being closed. If for some reason, I cannot contact the counsellor within 3 days, I can contact the coordinator to be put back on the waitlist.	
I will do my best to give my counsellor 24 hours' notice if I cannot make a session.	
If I cannot give my counsellor 24 hours' notice, I will contact coordinator to continue sessions with my counsellor. Ph.: 250 754 3331 ext. 427	
I understand that if I cancel my appointment, it is my responsibility to book another appointment with my counsellor within 3 days; otherwise, I risk my file being closed.	
I will commit to weekly sessions, if I cannot commit to weekly sessions due to shift work or childcare etc. I will contact coordinator.	
I understand if I stop coming to counselling my file will be closed. I understand if I wish to be connected with a counsellor again, I will need to fill out a new intake form. Note: There is no guarantee I will be matched with same counsellor, but I can request it.	
I understand that if I keep rescheduling my appointments that it might not be the best time for me to commit to the counselling process, I can close and reopen when a better time arises.	
I understand that if my counsellor is not a good match for me, I can contact coordinator to be matched with another counsellor.	
I am aware that the VCP program does not offer crisis counselling and will not be able to provide services immediately. Wait time varies from a few days to a few weeks or more. If in crisis, please call 1-888-494-3888 or access Brooks Landing Crisis Walk-In Clinic at #203-2000 N Island Hwy, Nanaimo, BC V9S 5W3

INFORMED CONSENT FOR IN-PERSON SERVICES DURING COVID-19 PUBLIC HEALTH CRISIS

This document contains important information about our decision to resume in-person services in light of the COVID-19 public health crisis. Please read this carefully and let me know if you have any questions. When you sign this document, it will be an official agreement between you and NFLA.

Decision to Meet Face-to-Face

We have agreed to meet in person for some or all future sessions. If there is a resurgence of the pandemic or if other health concerns arise, however, I may require that we meet via telehealth. If you have concerns about meeting through telehealth, we will talk about it first and try to address any issues. You understand that, if I believe it is necessary, I may determine that we return to telehealth for everyone's well-being.

If you decide at any time that you would feel safer staying with, or returning to, telehealth services, I will respect that decision, as long as it is feasible and clinically appropriate.

Risks of Opting for In-Person Services

You understand that by coming to the office, you are assuming the risk of exposure to the coronavirus (or other public health risk). This risk may increase if you travel by public transportation, cab, or ridesharing service.

Your Responsibility to Minimize Your Exposure

To obtain services in person, you agree to take certain precautions which will help keep everyone (Volunteer Counsellor, me, and our families, [our other staff] and other clients) safer from exposure, sickness, and possible death. If you do not adhere to these safeguards, it may result in our starting / returning to a telehealth arrangement. Initial each to indicate that you understand and agree to these actions:

COVID 19 Policy	Initial
You will only keep your in-person appointment if you are symptom free.	
If you are in close contact with someone who has tested positive for COVID 19 you will get tested. If you test <i>positive</i> you will <i>stay home</i> , if you test <u>negative</u> , <u>wear a mask</u>	
If you are sick, stay home	

We may change the above precautions if additional provincial or federal orders or guidelines are published. If that happens, we will talk about any necessary changes.

My Commitment to Minimize Exposure

Our Agency has taken steps to reduce the risk of spreading the coronavirus within the office and we have posted our efforts on our website and in the office. Please let me know if you have questions about these efforts.

If You or I Are Sick

You understand that we are committed to keeping you, Our Volunteer Counsellors, our staff and all our families safe from the spread of this virus. If you show up for an appointment and the Volunteer Counsellor [or the office staff] believe that you have a fever or other symptoms, or believe you have been exposed, The Volunteer Counsellor will have to require you to leave the office immediately. We can follow up with services by telehealth as appropriate.

If The Volunteer Counsellor or other staff test positive for the coronavirus, we will notify you so that you can take appropriate precautions.

Informed Consent

This agreement supplements the confidentiality agreement that we agreed to at the start of our work together.

Your signature below shows that you agree to these terms and conditions.
